Number of students have shrunk significantly but I am confident that these two will remaining four lessons and I am excited how they are not only engaging with the material but with each other. In addition, they ask questions that take them outside of the box which for me is a good indicator of growth.</p> <p>Pastor Lou and I had not meet for a few weeks due to scheduling conflicts on both parts. Our agenda was packed but we go through most of it. I am finding it more and then at the same time less of a struggle I feel the changes occurring but still am unclear of the bigger questions. PL told me to stop being fearful and to embrace all that ABBA has for me.</p> <p>Arrived later than usual so did not have a designated task rather I served where I was needed. Prayed with the Pastors and Intercessory group and actually lead out with a verse from the book of Luke. Still amazes me when the Holy Spirit uses me and its reminder that with the right heart he can and will use anyone.</p> <p>Kidz Rock gave out baskets and toys for the children I help with the facilitation of that in addition I distributed the elements for Communion.</p>

<b>MEETING(S) WITH MENTOR(S)    TOPICS OF DISCUSSION    REFLECTIONS</b>
