About 5 hours, in the last 10 weeks. 	<p>Instead of doing a paper, which would most likely not change anyone's life outside of my own. I got a bit more maverick.</p> <p>I put in well over 20 hours a week into ministry. However, I'm just not sure how to reflect that in this class. So, I did my best to keep the accounting simple and verifiable via online resources. I hope this sheet helps to quantify the hours and scope of work.</p> <p>I'm very active in my community in the Bronx and online streaming. I minister to hundreds, sometimes thousands of people a week with my music. You can see some of the work I have don't this semester in the press section of my website https://skerritbwoy.com/press and on my Twitch https://www.twitch.tv/skerritbwoy too. In addition to online ministry, I even do in person ministry. This month alone includes the Bronx, Mt. Vernon, and Colorado.</p> <p>I know this is a ministry outside of the four walls and not sees as traditional. However, it is reaching non-traditional-people and people outside of the our walls. I hope this helps to put things into perspective.</p>
