Poem To My God

Lord you take care of me
I cannot explain a love like this

You pursue me like I am something to win

I keep looking
I keep looking

For what's attractive to my flesh
But you dress up your heart
like a sweet gentleman that takes all
Of my breath

I give up
I give up
I give up my heart

Since your heart is doing all the
Efforts to get mine into yours
I decide to leave it at the ocean
Of your deep endless love
