

**New York Methodist Center for Allied Health Education
Clinical Laboratory Science – Distance Education Program**

Affiliated Clinical Sites

This list of clinical sites are sites throughout the United States that have entered into an affiliation with New York Methodist Hospital Center for Allied Health Education. This list is evolving and serves as a resource for informational purposes only. The fact that a clinical site appears on this list at any given time, in no way guarantees the availability of the site or the continuation of the affiliation. For more information about choosing your Clinical Externship Plan visit our website at www.nymahe.org and click on Clinical Externship.
