Comments:

Navleen, I appreciate your interest + enthusiasm for Clinical Lab Science. Continue to work towards your goal of successfully completing your first semester. One suggestion I would make it to schedule more time for hematology I study. Continue your good work in the discussion forums + on the quizzes.

Based on the predicted averages above your academic standing is:

- Satisfactory
- Unsatisfactory - Please make an appointment with your program director to discuss any academic needs or social needs that may be impacting your academic standing. In addition your program director can recommend additional learning resources to help improve your academic standing.
