NONVIOLENT CRISIS INTERVENTION / CPI 260

I. **Employee:** Melanie McCarty

II. Description of Training Content

From the CPI model for Nonviolent Crisis Intervention: Review and instruction on how to implement positive support strategies for management of disruptive and assaultive behaviors; demonstrate effective de-escalation techniques to reduce the tension of an agitated person; identify alternatives if a person loses control and becomes violent; learn techniques to control one's own anxieties during interventions and maintain a professional attitude; self-care strategies; demonstrate varied intervention skills to maintain the care and welfare, safety and security for all involved. Importance of debriefing, self-care strategies, and reestablishing a positive relationship. Explain how CPI is applied to Owakihi Inc.'s policies and procedures, i.e. prohibited and permitted procedures, requirements for documentation, reporting and team review.
