Incident and Emergency Procedures

Training Module 111 Quiz

Employee Name: Aden, Mv

Date of Quiz: \_\_\_\_\_

Directions: Upon completion, return the quiz and attached Training Summary Form to your trainer for review and signature.

Complete the statements below by filling in the blanks

- Incidents and emergency situations are defined in MN Statutes 245D and described in 3 key policy & procedure on responses to
  - reporting incidents
  - procedure on incidents

- The difference between an "incident" and an "emergency" is that incident means an occurrence that affects the ordinary provision of services to a person, while emergency means events that affect the ordinary daily operations of the program.

- The incident policy identifies "serious injuries" which meet the definition in the above statute. Provide 3 examples of serious injury:
  - fractures
  - dislocation
  - evidence of internal injuries

- For persons experiencing a mental health crisis: identify 2 potential resources for safety:
  - monthly health crisis & Minnesota office of ombudsman
  - Attorney
- Following completion of an incident or emergency report, the manager needs to conduct an review of all reports to identify trends or patterns and corrective action, if needed.

Circle the correct answer(s) below

- Serious injury or death must be reported as soon as possible to the Department of Human Services Licensing Division (for licensed services) and the Office of the Ombudsman (all services). When making this report, there is a time period that should not be exceeded. That time period is which of the following:
  - 48 hours
  - determined by the staff person and supervisor
  - 24 hours
  - prior to 5:00 p.m. on week days
  - none of the above
- What is the first step to take after confirming that a service recipient is missing:
  - Call the person's family
  - Search the immediate area
  - Start writing the Incident Report
  - Call 911

Respond to the following statements using True or False

8. If you forget a specific procedure during an emergency, you should do what is necessary to protect the service recipient and then contact your supervisor.

T

9. Ensuring the safety and well-being of persons served and staff is the top priority as services are delivered.

T

10. Incident and emergency reporting only applies to children.

F

11. Incidents and emergencies need to be reported within 24 hours of you becoming aware of the incident.

T

12. If you suspect that a child (who receives services from Owakihl, Inc.) has run away from his caregiver because the child was physically abused, your responsibilities are directed by the Maltreatment of Minors Mandated Reporting and Internal Review Policy.

T

13. When an incident involves more than one service recipient, you do not need permission to share identifying information with both support teams because safety concerns override privacy issues.

F

14. If you take a service recipient to the hospital for a medical emergency, you do not need to complete an Incident Report if the health services professional determines the person was not injured.

F

15. Situations that involve one service recipient's verbal or physical aggression towards another service recipient do not need to be documented as long as there is no injury.

F

16. Based on the information received, what questions do you have regarding this topic?

None

17. Who can you speak with regarding implementation of your job functions?

Supervisor

KNOWLEDGE TESTING BY THE TRAINER

Note the question(s) answered incorrectly, and the action taken to assure that the employee understands the correct response(s)

The employee identified above has demonstrated competency in completion of the quiz questions. (If not, refer employee to Supervisor.)
