

On-Site Orientation Checklist

SCANNED
6/8/20

Employee Name: Nyah Aden
Location: Kape
On-Site Date: 5/18/20

Staff Initials	Topic
	Site Specific
NA	I have had a thorough tour of the house, yard, and garage.
NA	I know where house and client financial information, including receipts are stored.
NA	I know where forms are kept.
	Do I need prior permission to use House Petty Cash? ☒ Yes ☐ No
	What is the house petty cash used for? <u>for house stuff at work</u>
	All spare site keys are kept <u>in the office</u> and I know what to do if they are missing.
	The lockbox combination(s) is/are <u>631</u>
	Emergencies and Responsiveness
NA	I understand how to use the heating and cooling systems
NA	I understand how to use all household appliances
NA	If appliances are not working I will call Xcel Energy at <u>(612) 895-4999</u> and the manager.
NA	If heating or cooling systems are not working I should call Xcel or CenterPoint as indicated by the emergency call list.
NA	I know this house has fuses/breakers, where they are located, and how to use them
	The water shut off valve for the house is located <u>in the basement</u>
	The Program Policy and Procedure Manual for Beacon Specialized Living is located <u>in the office</u>
NA	I have been shown how to reference and use the Policy and Procedure manual.
NA	I understand the fire evacuation route and plan and I know where it is posted in the house.
NA	I understand where the smoke detectors, carbon monoxide detectors, and fire extinguishers are located and how to use and maintain them.
NA	I understand where PPE is stored, how to properly dispose of contaminated items
NA	I understand where the flashlights, battery operated radio, first aid kit are located and how to use and maintain them.
NA	I replenish First Aid supplies by <u>Go to Walgreens or CVS pharmacy</u> .
	Meals and Meal Prep
NA	I understand the menu plan and how to follow the directions for meal preparation.
NA	If the site runs out of something that was on that day's menu, I know I need to <u>go buy it</u> .

On-Site Orientation Checklist

SCANNED
6/8/20
