# Miracle Crittenden Training

## 7/10/2020

When Miracle starts have behaviors staff must focus on her and try de-escalation. If this doesn't work call the crisis hot line ASAP (952) 818-3702. Please program this number in your cell phones so if you are unable to get to the staff office. So you can make the call. Staff are required to move housemates to a safe area till behavior has ended. If this means taking one client out of the house this needs to be done.
