COVID-19 Preparedness Plan Fill in the blank

Demonstration of competency

Name: Taura Divil

Date: 7/14/20

1. Beacon Specialized living created this plan with the intent of minimizing the spread and the transmission of illness. As a company we have created consistent clean through the use of this plan.
2. Information about Covid-19 can change frequently. This plan was created under the guidance of the Cb and MN Department of Health.
3. The best way to prevent the spread of illness is hand sanitation. If soap and water are not available, an alternative is the use of hand sanitizers.
4. I am expected to wear a face mask while I am at a Beacon program.
5. I know that I will be cleaning well, and cleaning often. I will follow a check list that identifies surfaces and areas that have been disinfected. I will ensure cleaning products remain in surface contact for at least 5 minutes to ensure organisms are killed.
6. Before entering a Beacon program or office, I am expected to self screen myself for symptoms, and to take my temperature. If my temperature is over 100.4 degrees, I will not enter.
7. If I have symptoms of Covid-19, I should contact Dr and follow instructions regarding care and testing.
8. Part of my job includes monitoring the people we support for signs and symptoms of Covid-19.
9. Visitors are allowed in a Beacon program of office as long as they are performing an essential function.
10. Social Distancing includes remaining 6 feet in distance from others. It also includes avoiding close contact with others.
11. We might need to move furniture or chairs so people are facing the same direction instead of toward each other.
12. When cooking, all staff should be in the kitchen preparing the meal.
13. Sharing of food, plates, and utensils should be avoided.
14. Opening windows introduces fresh air. We should do this as often as possible remembering also that we should avoid be creating airflow which blows close people from one person to another.
15. When providing transportation, vehicles will be sanitized before and after each ride. I also should remember that I need to limit the number of people in a vehicle at one time.
16. This plan is located in a prominent location at all Beacon MN programs and offices.
