On-Site Orientation Checklist

Vehicle

- I understand where vehicle keys and located and stored.
- I understand the process for making sure the vehicle has gas when necessary
- I understand the process for Seating, Tie Downs, Special Equipment, Lifts etc. when transporting individuals receiving services.
- I understand, if I need directions to an appointment, activity, or other destination I should call that destination before leaving.

Appointments/Medical Information

- I need to take the following with me on all medical appointments: Medical Referral and MA Card.
- Medical/Dental/Psychiatric appointments are documented in the Health Progress notes.
- For what other reasons are Health Progress Notes written? Anything medical like if a PRN was given and any accidents that require medical attention. Also Dr. New orders.
- The completed medical referral form is placed in the mess and filed in personal book.
- Medication side effects are found on the Script Bag or Pill Medication Book.
- I understand when a medication is dropped or spit out, I need to call the nurse or physician and/or contact my supervisor (if the home does not have a nurse) and follow the instructions given.
- List the procedure for ordering new medication: Dr. will call in a order. and let you know when to pick it up otherwise you can talk to the pharmacist for all new meds.
- List the procedure for ordering current medication: Call the pharmacy and place your order and ask when it will be filled and go pick up the med unless they deliver
- List the procedure followed when a prescription medication is changed or discontinued: A/c in the mess per Dr. Orders and write in the mess the new med and start date and times it is to be given.
- I understand, when medications are delivered the person who receives the medications must compare the medication label to the medication sheets and count the medications to ensure the orders are correct and the proper amount was delivered. If any information is incorrect staff must contact the nurse and/or Program Manager.
- I know where medications are stored and I understand they must be locked at all times.
- I understand the purpose and location of Standing Order Medications
- I understand the process for administering and documenting the use of Standing Order Medications
- I understand medication errors are determined by the nurse and/or supervisor. If I find discrepancies I must report them to the nurse and supervisor and follow the instructions given:
