**On-Site Orientation Checklist**

Vehicle

- I understand where vehicle keys are located and stored.
- I understand the process for making sure the vehicle has gas when necessary
- I understand the process for Seating, Tie Downs, Special Equipment, Lifts etc. when transporting individuals receiving services.
- I understand, if I need directions to an appointment, activity, or other destination I should call that destination before leaving.

Appointments/Medical Information

I need to take the following with me on all medical appointments: Full sheet / med list / copy of MAR  
 Medical/Dental/Psychiatric appointments are documented in the Health Progress Notes.  
 For what other reasons are Health Progress Notes written? \_\_\_\_\_

The completed medical referral form is placed in DC mailbox.  
 Medication side effects are found paper work / consent specific.  
 I understand when a medication is dropped or spit out, I need to call the nurse or physician and/or contact my supervisor (if the home does not have a nurse) and follow the instructions given.  
 List the procedure for ordering new medication: N/A

List the procedure for ordering current medication: N/A

List the procedure followed when a prescription medication is changed or discontinued: N/A

- I understand, when medications are delivered the person who receives the medications must compare the medication label to the medication sheets and count the medications to ensure the orders are correct and the proper amount was delivered. If any information is incorrect staff must contact the nurse and/or Program Manager.
- I know where medications are stored and I understand they must be locked at all times.
- I understand the purpose and location of Standing Order Medications
- I understand the process for administering and documenting the use of Standing Order Medications
- I understand medication errors are determined by the nurse and/or supervisor. If I find discrepancies I must report them to the nurse and supervisor and follow the instructions given:
