## Demonstration of competency

Name: Tamara George  
Date: 08/29/20

1. Beacon Specialized living created this plan with the intent of minimizing the spread and transmission of illness. As a company we have created consistent standards through the use of this plan.
2. Information about Covid-19 can change frequently. This plan was created under the guidance of the DC and MN Department of Health.
3. The best way to prevent the spread of illness is Frequent hand washing. If soap and water are not available, an alternative is the use of hand sanitizer.
4. I am expected to wear a mask take tem. while I am at a Beacon program.
5. I know that I will be cleaning well, and cleaning often. I will follow a Cleaning Checklist that identifies surfaces and areas that have been disinfected. I will ensure cleaning products remain in surface contact for at least 5 minutes to ensure organisms are killed.
6. Before entering a Beacon program or office, I am expected to Actively Screen myself for symptoms, and to take my temperature. If my temperature is over 102.4 degrees, I will not enter.
7. If I have symptoms of Covid-19, I should contact Tel-DOC or my physician and follow instructions regarding care and testing.
8. Part of my job includes monitoring the people we support for Signs and Systems of Covid-19.
9. Visitors are allowed in a Beacon program of office as long as they are performing an essential function.
10. Social Distancing includes remaining 6 feet in distance from others. It also includes avoiding personal contact with others.
11. We might need to move furniture or chairs so people are facing the same direction instead of toward each other.
12. When cooking, one staff should be in the kitchen preparing the meal.
13. Sharing of food, plates, and drinks should be avoided.
14. Opening windows introduces fresh air. We should do this as often as possible remembering also that we should not be creating airflow which blows across people from one person to another.
15. When providing transportation, vehicles will be sanitized before and after each ride. I also should remember that I need to limit the number of people in a vehicle at one time.
16. This plan is posted in a prominent location at all Beacon MN programs and offices.
