This American Heart Association CPR AED course provides employees with the

Date: 3/25/2021 16:30 - 3/25/2021 18:30

Grade: 80

This course provides employees with the ability to recognize and treat breathing and cardiac emergencies, administer first aid, perform CPR, call and work with emergency medical system staff, and avoid blood borne pathogen exposure. This course also provides employees with the ability to identify, prevent, and respond to medical emergencies and situations requiring first aid. This course meets the training requirements for CPR and First Aid. American Heart Association CPR and First Aid certification is valid for two years.

Instructor: Kristine Erickson, AHA instructor

STAR Services is a training, education, staffing, consulting, and business development resource for social service agencies, individuals, families, social service professionals, schools, and government agencies.
