## SERVICE OUTCOME AND SUPPORT

Name: Greg Johnson

Outcome #: 1

Date of development:

Projected start date for implementation:

Date by which progress towards accomplishing the outcome will be reviewed and evaluated:

Outcome statement with measurable and observable criteria for outcome achievement:

Daily, when Greg arrives at Linden, he will grab his morning snack.

Methods or actions that will be used to support the person and to accomplish the outcome: Daily, when Greg arrives, staff will greet Greg, sit his lunchbox on the table, and open it. Staff will say "Greg, grab your snack" while pointing at his snack.

Changes or modifications necessary to the physical and social environments: NA

Equipment and/or materials required: morning snack

Techniques that are used that are consistent with the person's communication mode: Gregory communicates through gesture, communication switches, eye gaze, pointing, and vocalizations. Greg also responds well to gesture prompts.

Techniques that are used that are consistent with the person's learning style: Gregory responds well through repetition, and kinesthetic learning. Staff will allow Greg time to process and respond.

Data collection method: Data collection will be daily.

Names of staff or positions responsible for implementing the supports and methods: DSP, Lead DSP, Designated Coordinator
