

SERVICE OUTCOME AND SUPPORT

Name: Jonah Wilson Outcome #: 1
 Date of development: 2/11/2021
 Projected start date for implementation: 2/15/2021
 Date by which progress towards accomplishing the outcome will be reviewed and evaluated: August 2021

Outcome statement with measurable and observable criteria for outcome achievement:

Jonah will engage in a group lesson/activity.

Methods or actions that will be used to support the person and to accomplish the outcome:

1. Staff will tell Jonah a group lesson/activity is starting.
2. If Jonah joins the group independently, he will receive a "Y"
3. If Jonah does not join or needs additional prompting, he will receive a "N"
4. If Jonah receives a "N", due to not joining group after staff asked, Staff will prompt Jonah to join the group lesson/activity.
5. If Jonah still chooses not to join the group lesson/activity, Staff will give another verbal prompt saying "Jonah it is time for _____."
6. If Jonah still chooses not to join, staff will cease trial and attempt this outcome the following day

Changes or modifications necessary to the physical and social environments: None needed

Equipment and/or materials required: Group lesson/activity materials.

Techniques that are used that are consistent with the person's communication mode: Jonah communicates verbally, though may need specific questions and prompts to engage more deeply in a conversation.

Techniques that are used that are consistent with the person's learning style: Jonah learns well through practice and repetition, as well as through modeling.

Data collection method:

Data will be collected daily. Jonah will receive a "Yes" if he independently engages in group lesson/activity. Jonah will receive a "No" if he does not engage in group lesson/activity, or needs additional prompting to do so.

Names of staff or positions responsible for implementing the supports and methods: Lead DSP, DSP
