

SELF-MANAGEMENT ASSESSMENT

Name: Aaron Burns

Date of *Self-Management Assessment* development: March 5th, 2021

For the annual period from: March 2021 to March 2022

Name and title of person completing the review: Dayna Gordon, Designated Coordinator/Program Supervisor

Within the scope of services to this person, the license holder must assess, at a minimum, the areas included on this document. Additional information on self-management may be included per request of the person served and/or legal representative and case manager. The *Self-Management Assessment* will be completed by the company’s designated staff person and will be done in consultation with the person and members of the support team.

The license holder will complete this assessment before the 45-day planning meeting and review it at the meeting. Within 20 working days of the 45-day meeting, dated signatures will be obtained from the person and/or legal representative and case manager to document the completion and approval of the *Self-Management Assessment*. At a minimum of annually, or within 30 days of a written request from the person and/or legal representative or case manager. This *Self-Management Assessment* will be reviewed by the support team or expanded support team as part of a service plan review and dated signatures obtained.

Assessments must be based on the person’s status within the last 12 months at the time of service initiation. Assessments based on older information must be documented and justified.

The **general and health-specific supports and outcomes necessary or desired to support the person** based upon this assessment and the requirements of person centered planning and service delivery will be documented in the *CSSP Addendum*.

Health and medical needs to maintain or improve physical, mental, and emotional well-being
