

SERVICE OUTCOME AND SUPPORT	
Name: Elias Arnold Date of development: 11.25.2019 Projected start date for implementation: 11.25.2019 Date by which progress towards accomplishing the outcome will be reviewed and evaluated: May 2020	Outcome #: 2
Outcome statement with measurable and observable criteria for outcome achievement: Eli enjoys sensory activities and art. It is important to him that he gets to engage in these activities at PAI. It is also important that he is able to make choices throughout his day. Once a week, Eli will choose what sensory/art activity to participate in	
Methods or actions that will be used to support the person and to accomplish the outcome: This outcome will be ran once a week with an intended success rate of 80%, over the next 6 months. <ol style="list-style-type: none"> 1. Staff will approach Elias and provide him the 2 choices of activities. 2. If Elias chooses an activity (either verbally or by pointing) staff will record a (Y), verbally praise Elias, and allow him to engage in the activity. 3. If Elias does not choose an activity, staff will record a (N) and try again the following day. 	
Changes or modifications necessary to the physical and social environments: N/A	
Equipment and/or materials required: art/sensory materials	
Techniques that are used that are consistent with the person’s communication mode: Elias communicates with verbalizations/vocalizations, facial expressions and gestures. When running this outcome, staff will communicate with Elias using short phrases to help him understand and process.	
Techniques that are used that are consistent with the person’s learning style: Staff will communicate with Elias using short phrases to help him understand and process. Staff will also show him which activities he can choose from. Once a week, Eli will choose what sensory/art activity to participate in	
Data collection method: Documentation will be recorded and charted once a week. Charting will include a Y or N indicating success.	
Names of staff or positions responsible for implementing the supports and methods: Program Supervisor (PS), Lead Direct Support Professional (LDSP) and Direct Support Professionals (DSP)
