

SERVICE OUTCOME AND SUPPORT
<p>Name: Tish Rogowski Outcome #: 2 Date of development: 3.30.2021 Projected start date for implementation: 4.5.2021 Date by which progress towards accomplishing the outcome will be reviewed and evaluated: September 2021</p>
<p>Outcome statement with measurable and observable criteria for outcome achievement: Weekly, Tish will choose to complete an art activity/project in 80% of all opportunities over the next year.</p>
<p>Methods or actions that will be used to support the person and to accomplish the outcome:</p> <p>Staff will inform Tish when there are opportunities to participate in arts and crafts activities and ask her if she would like to participate. If Tish states that she does not want to participate in the activity, staff will ask her later in the day if there is an opportunity to participate later in the day. If Tish declines the activity, this outcome will be documented as “N” for not achieved. If Tish states that she would like to participate in the activity, staff will assist her in completing the activity and this outcome will be documented as “Y” for achieved.</p> <p>Data will be reviewed quarterly and as long as Tish has received one “Y” for achieving the outcome, the week will be counted as a success.</p>
<p>Changes or modifications necessary to the physical and social environments: Tish will require a quiet environment to listen and communicate her choices.</p>
<p>Equipment and/or materials required: Tish will require an iPad, TV, or the SMARTBoard to listen to music. She may also require instruments to play.</p>
<p>Techniques that are used that are consistent with the person’s communication mode: Tish understands verbal communication and communicates to others verbally. Tish may need additional time to process what has been said to her or to express herself. When she is nervous or uncomfortable it tends to take her longer to share information.</p>
<p>Techniques that are used that are consistent with the person’s learning style: Tish is very intelligent and has a great memory. Tish works well with positive reminders and reassurance.</p>
<p>Data collection method: Documentation will be recorded and charted daily. Charting will include a “Y” or “N” indicating success.</p>
<p>Names of staff or positions responsible for implementing the supports and methods: Program Supervisor (PS), Lead Direct Support Professional (LDSP), and Direct Support Professionals (DSP).</p>
