

SERVICE OUTCOME AND SUPPORT	
Name: Hope Gustafson Date of development: 1.22.2021 Projected start date for implementation: 1.22.201 Date by which progress towards accomplishing the outcome will be reviewed and evaluated: July 2021	Outcome #: 1
Outcome statement with measurable and observable criteria for outcome achievement: It is important for Hope that she is able to walk the halls when she needs a break. Hope will set down her iPad and grab a “pass” when she wants to walk in the hallway.	
Methods or actions that will be used to support the person and to accomplish the outcome: This outcome will be ran daily with an intended success rate of 80%, over the next 6 months. <ol style="list-style-type: none"> 1. If Hope independently puts down the iPad and grabs a “pass”, staff will verbally reinforce Hope and record as (Y) 2. If Hope does not independently put down the iPad/grab a “pass”, staff will provide a verbal and point prompt and will record a (N). 	
Changes or modifications necessary to the physical and social environments: None.	
Equipment and/or materials required: Walking/break passes.	
Techniques that are used that are consistent with the person’s communication mode: Hope communicates with short verbal responses, signs, and facial expressions.	
Techniques that are used that are consistent with the person’s learning style: Hope learns best through modeling and repetition.	
Data collection method: Documentation will be recorded and charted daily . Charting will include a Y or N indicating success.	
Names of staff or positions responsible for implementing the supports and methods: Program Supervisor (PS), Lead Direct Support Professional (LDSP) and Direct Support Professionals (DSP)
