SERVICE OUTCOME AND SUPPORT

Name: Justin Brown   Outcome #: 2
Date of development: 4.23.2021
Projected start date for implementation: 4.26.2021
Date by which progress towards accomplishing the outcome will be reviewed and evaluated: October 2021

Outcome statement with measurable and observable criteria for outcome achievement:

It is important to and for Justin that he can interact with peers when he chooses to.

Once a week, Justin will play a game with a peer of his choice.

Methods or actions that will be used to support the person and to accomplish the outcome:

This outcome will be ran **once a week** with an intended success rate of 80%, over the next 6 months.

1. Staff will ask Justin "Do you want to play a game with a friend"? (or similar language)
2. If Justin says "yes" or "ok", staff will ask Justin "which friend do you want to play with?"
3. Staff can verbally help Justin pick a peer, if needed.
4. If Justin plays a game with a peer, staff will record (Y) and will reinforce Justin with verbal praise.
5. If Justin does not play a game with a peer, staff will record a (N) and will try again the following day.

Changes or modifications necessary to the physical and social environments: N/A

Equipment and/or materials required: Games

Techniques that are used that are consistent with the person's communication mode: Justin communicates verbally. If Justin does not independently find and open Google, staff will provide him with point and verbal prompts to do so.

Techniques that are used that are consistent with the person's learning style: Justin learns best when staff use clear expectations, visual demonstration or reminders, and remain positive and encouraging.

Data collection method: Documentation will be recorded and charted once a week. Charting will include a Y or N indicating success.

Names of staff or positions responsible for implementing the supports and methods: Program Supervisor (PS), Lead Direct Support Professional (LDSP) and Direct Support Professionals (DSP)
