

SERVICE OUTCOME AND SUPPORT		
Name: Donald LeVasseur	Outcome #: 1	
Date of development: 10.5.2021	Projected start date: 10.18.2021	Date outcome reviewed: May 2022
Outcome statement with measurable and observable criteria for outcome achievement: Daily Donald will indicate a musical instrument choice in 80% or more of trials over the next 6 months.		
Methods or actions that will be used to support the person and to accomplish the outcome: This outcome will be trialed a minimum of once daily. Should this outcome occur again later in the day, this is considered practice and the trial will not be documented at this time. <ol style="list-style-type: none"> 1. Donald will be shown two different instruments. Staff will play each instrument to better help Donald understand what each instrument does/sounds like. 2. Donald will be asked to choose one of the instruments. Donald may communicate his preference using facial expressions, body language, vocalizations. <p>If Donald uses his communication skills to indicate his choice, the outcome will be documented as achieved (y) Staff will then play the preferred instrument for Donald and assist him in playing the instrument (if participating in in-person programming).</p> <p>Should Donald not indicate a choice, the outcome will be documented as not achieved (n)</p>		
Changes or modifications necessary to the physical and social environments: Donald has a vision impairment which is corrected by corrective lenses. Staff support Donald by assisting him in cleaning and maintaining his glasses as needed.		
Equipment and/or materials required: Minimum of 2 musical instruments		
Techniques that are used that are consistent with the person's communication mode: Donald communicates using vocalizations, body language, gestures, and facial expressions.		
Techniques that are used that are consistent with the person's learning style: Donald learns through routine & repetition. His learning style appears to be auditory, visual, and kinesthetic.		
Data collection method: Documentation will be recorded and charted daily. Charting will include a Y or N indicating success		
Names of staff or positions responsible for implementing the supports and methods: Program Supervisor (PS), Lead Direct Support Professional (LDSP) and Direct Support Professionals (DSP)
