

ONE PAGE PROFILE

Name:	Matthew Bealka		
Age:	33	Birthday:	November 14th

What people APPRECIATE about me:	What is IMPORTANT TO me:	How to SUPPORT me:
Contagious laugh Love for singing Willingness to participate Expressive Determined Likes to be independent Laid back Handsome smile Great dance moves Strong Social	Family, staff, and friends Being with people who know him well Spending time in the community Going on bus rides Using his rocker and sitting by windows One on one time with staff Listening to music, singing, and dancing Going for walks and being able to move freely throughout the room Being included in activities Spending time with the therapy dogs Midnight and Zelda	Matt has a doctor ordered puree diet, please help Matt only eat foods according to his protocol. Matt has a seizure disorder, be aware and follow his protocol. Matt is allergic to Absorbable Sulfonamides, Sulfa, Ceclor and Augmentin (irritates stomach). Be aware of his allergies and inform others as needed Help Matt sit at least an arm's length away from other peers sitting on his right side as Matt may grab others while exploring his environment. Matt can independently take off his positioning belt, seat belt, and remove my lap tray even when fastened. Help Matt remain safe when he chooses not to keep these items on. Matt does not like waiting for the bus. Matt cannot wait on the lift of the bus; for safety the driver has to be ready for him.
