To: <input checked="" type="checkbox"/> Person Served <input checked="" type="checkbox"/> Legal Representative <input checked="" type="checkbox"/> Case Manager <input type="checkbox"/> Other:	
Summary of Service Outcome and Support Progress	
<p><u>Outcome # 1</u></p> <p>Outcome statement with measurable and observable criteria for outcome achievement: Andy will attend a scheduled work outing when offered, twice per month, 75% of all trials within a six-month review period.</p> <p>Summary of progress toward achieving this outcome: Andy has achieved this goal in the past. Due to the current circumstances of being in the community less often as a result of the pandemic, Andy has not achieved this outcome, with 0%, in the last 6 months.</p> <p>Recommendation for implementing this outcome: <input type="checkbox"/> Continue <input type="checkbox"/> Change <input checked="" type="checkbox"/> Discontinue</p> <p>Rationale for the recommendation: Andy has succeeded in this outcome in the past. Due to his succession, Andy would like to begin a new outcome.</p>	
<p><u>Outcome # 2</u></p> <p>Outcome statement with measurable and observable criteria for outcome achievement: Andy will participate in a community activity of his choice twice a month for 75% of all trials for six months.</p> <p>Summary of progress toward achieving this outcome: Andy has not achieved this goal, with 0%, in the recent 6 months due to the circumstances of limited outings only returning to PAI as of September 2021.</p> <p>Recommendation for implementing this outcome: <input type="checkbox"/> Continue <input checked="" type="checkbox"/> Change <input type="checkbox"/> Discontinue</p> <p>Rationale for the recommendation: Andy had made great progress for this outcome in the past. Due to the circumstances of being in the community less often as a result of the pandemic, Andy has not had the opportunities to achieve this goal. As community outings are returning to PAI, Andy would like to change his outcome.</p>	

PAI

*Data collected on psychotropic medication and target symptom-related data including monitoring data, is sent to the expanded support team, at a minimum of quarterly, or as otherwise requested. This data is reported on *Psychotropic Medication Monitoring Data Report* form, please reference that document for more information.

PAI

Description of the person's status

Health: Andy has been on good health this review period and has not had any medical concerns.

What is currently important to the person and for the person: Items important to Andy are: working, getting out into the community, and staying busy. Items important for Andy are: having new experiences and participating in his community are important for Andy.

Status of social relationships and natural supports: Andy has had consistent supports at PAI and at home during this review period. Andy will acknowledge peers and staff while at PAI. However, Andy may generally keep to himself during his time at PAI.

Recent inclusion and participation in the community: Community outings have just recently resumed as of September 2021. Andy has not yet had the opportunity to participate in a community outing of his choosing. Andy has periodically participated in neighborhood walks with his peers and a staff member. Andy has had the opportunity to participate in Music Therapy-but has not shown much interest in participating and therefore may observe during Music Therapy.

New or ongoing opportunities for the development and exercise of functional and age-appropriate skills, decision making and choice, personal advocacy, and communication: Andy is involved in making decisions that affect him. Andy chooses which classes he'd like to take at PAI. Andy chooses where he'd like to go on community outings.

Status of the person's civil and legal rights: Andy exercises his rights at PAI and does not have any right restrictions.
