- Staff responsibilities related to protecting persons from maltreatment and reporting maltreatment

### Maltreatment of Minors Maltreatment Reporting Training

- MOMA statute: 626.556
- 245A.66: Company requirements and PAPP (if applicable)
- Company MOMA maltreatment reporting policy
- Staff responsibilities related to protecting persons from maltreatment and reporting maltreatment

### Positive Support Rule Core Training, 245D Emergency Use of Manual Restraint, and Prohibited Procedure Training Topics (8 hours)

*Audience: Staff responsible to develop, implement, monitor, supervise, or evaluate positive support strategies, PSTPs, or EUMRs*

- De-escalation techniques/methods and their value.
- Alternatives to manual restraint procedures including techniques to identify events and environmental factors that may escalate conduct that poses an imminent risk of physical harm to self or others.
- Simulated experiences of administering and receiving manual restraint procedures allowed by the company on an emergency basis.
- The safe and correct use of emergency manual restraint according to MN Statutes, section 245D.061.
- What constitutes the use of restraint, including chemical restraint, time out, and seclusion.
- How to properly identify thresholds for implementing and ceasing restrictive procedures.
- How to recognize, monitor, and respond to the person's physical signs of distress including positional asphyxia.
- The physiological and psychological impact on the person and the staff when restrictive procedures are used.
- The communicative intent of behaviors.
- Relationship building and how to avoid power struggles.
- Principles of person-centered service planning and delivery and how they apply to direct support provided by staff.
- Staff responsibilities related to prohibited procedures under MN Statutes, section 245D.06, subdivision 5; why the procedures are not effective for reducing or eliminating symptoms or interfering behavior; and why the procedures are not safe.
- Staff responsibilities related to restricted and permitted actions and procedures under MN Statutes, section 245D.06, subdivisions 6 and 7.
- Principles of positive support strategies (such as positive behavior support) and actual positive support strategies.
- The relationship between staff interactions with the person and the person's behavior, and the relationship between the person's environment and the person's behavior.
- Situations in which staff must contact 911 in response to an imminent risk of harm to the person or others.
- The procedures and forms staff must use to monitor and report use of restrictive interventions that are part of a positive support transition plan (PSTP).
- The procedures and requirements for notifying members of the person's expanded support team after the use of a restrictive intervention with the person.
- Understanding of the person as a unique individual and how to implement treatment plans and responsibilities assigned to the company.
- Cultural competence.
- Personal staff accountability and staff self-care after emergencies.

### Positive Support Rule Function-Specific Training (4 hours)

*Audience: Staff who develop positive support strategies and license holders, executives, managers, and owners in non-clinical roles*

- Functional behavior assessment.
- How to apply person-centered planning.
- How to design and use data systems to measure effectiveness of care.
- Supervision, including how to train, coach, and evaluate staff and encourage effective communication with the person and the person's support team.

### Positive Support Rule Function-Specific Training (2 hours)

*Audience: License holders, executives, managers, and owners in non-clinical roles*

- How to include staff in organizational decisions.
- Management of the organization based upon person-centered thinking and practices and how to address person-centered thinking and practices in the organization.
- Evaluation of organizational training as it applies to the measurement of behavior change and improved outcomes for persons receiving services.
