# FASTDRAW PRO

Mixes Sanibet, PH7Q Ultra FD, Green Earth Daily Floor Cleaner and Clear Image Glass Cleaner

*The BetOne wipes and spray come ready to go.*

# FASTDRAW PRO

## To use:

1. Select chemical and turn red knob to appropriate number (1-4).
2. View cutout openings to ensure chemical is in dispenser (solution is brightly colored.)
3. If can't see, open cabinet door.
4. If no chemical in container, replace bottle (see below.)  
*When no chemical, it will dispense water (no color in solution) and the dispenser will make a different sound.*
5. To fill bucket, place hose in container & push red button.
6. To fill spray bottle, put bottle in middle opening, place small tube in bottle and push up.

# FASTDRAW PRO

To refill chemical in dispenser:

1. Open cabinet door.
2. Select empty chemical bottle and unscrew top cap.
3. Remove empty bottle.
4. Get full chemical bottle and remove top cap.
5. Place bottle in dispenser and tighten cap; do not over tighten.
6. Close cabinet door.
