Completing the Financial Form 6790C: Advanced Part 2 - Virtual Classroom

Date: 6/7/2023 10:00 - 6/7/2023 11:00

This virtual course is intended for someone who knows the basics of the 6790C form. We will look at examples of more complicated staffing patterns to calculate the numbers for the 6790C form, and examples of homes where not everyone leaves during the day so the staffing ratio is not based on the licensed capacity. We will also look at how interpretations to the system have changed over the years.

STAR Services is a training, education, staffing, consulting, and business development resource for social service agencies, individuals, families, social service professionals, schools, and government agencies. STAR Trainers have a combined experience of over 100 years of supporting individuals with various disabilities and mental health conditions in a variety of settings. Learn more at starsvcs.com.
