MORE TIME IS NEEDED TO COMPLETE CHILD FOSTER CARE BACKGROUND STUDY

What does this notice mean?

An entity requested a background study on you. A background study from the Department of Human Services (DHS) is required for you in connection with a license to provide child foster care services. DHS needs more time to complete the study because additional information or review is needed.

Can I provide services now?

You may be in a position allowing direct contact with children receiving services without continuous direct supervision while the background study is being completed.

What happens next?

When DHS makes a final decision about your background study, the decision will be mailed to you.

What information does the requesting entity receive?

The requesting entity will receive a copy of this notice.

What if I move?

If your address changes from the one listed above, ask the requesting entity to update it. DHS will send any future information about your background study to the address that the requesting entity provides.

What should I do with this notice?

You should keep a copy of this notice for your records.

What if I want more information?

You can find information on the Background Study website by going to <http://mn.gov/dhs/background-studies/>.

What if I have questions?

If you have questions about your background study status or this notice call (651) 431-6620.
