

**Chapter 8 part I**

**Figure 8-1 pg. 258**

**Know the 4 major divisions of the brain pg. 262 (under Structures of the Brain)**

**Vocabulary pg. 264**

**Afferent nerves**

**Alexia**

**Analgesia**

**Anesthesia**

**Anesthetic**

**Aneurysm**

**Aphasia**

**Ataxia**

**Autonomic nervous system**

**Brain stem**

**Cauda equina**

**Central nervous system**

**Cerebellum**

**Cerebrospinal fluid**

**Cerebrum**

**Cervical radiculopathy**

**Cheyne Stokes respirations**

**Coma**

**Contracture**

**Craniotomy**

**Dementia**

**Diencephalon**

**Dyslexia**

**Dysphasia**  
**Efferent nerves**  
**Embolism**  
**Epidural space**  
**Fontanelle or fontanel**  
**Gait**  
**Hemiparesis**  
**Hemiplegia**  
**Kinesiology**  
**Lethargy**  
**Narcolepsy**  
**Nerve block**  
**Neuralgia**  
**Neurologist**  
**Occlusion**  
**Palliative**  
**Paraplegia**  
**Parasympathetic nerves**  
**Peripheral nervous system**  
**Quadriplegia**  
**Sciatica**  
**Shunt**  
**Somatic nervous system**  
**Sympathetic nerves**  
**Thrombosis**
