

## **Chapter 9**

### **Vocabulary pg. 332**

**Allergy**

**Anaphylaxis**

**Antibodies**

**Antigens**

**Coagulation**

**Edema**

**Erythremia**

**Erythroblast**

**Erythrocyte**

**Hematologist**

**Hematology**

**Hemoglobin**

**Hemorrhage**

**Hemostasis**

**Heparin**

**Leukocyte**

**Lymphedema**

**Metastasize**

**Monocyte**

**Pica**

**Plasma**

**Platelet**

**Staphylococci**

**Streptococci**

**Thrombin**

**Thrombocyte**

## **Thrombus**

### **Word elements pg. 339**

**Agglutin/o**

**Bas/o**

**Coagul/o**

**-cocci**

**Cyt/o**

**-emia**

**erythr/o**

**-globin**

**hem/o**

**hemat/o**

**leuk/o**

**-lytic**

**mono-**

**myel/o**

**nucle/o**

**-oid**

**-penia**

**-phoresis**

**-stasis**

**thromb/o**

### **Pathological conditions pg. 341**

**anemia**

**anemia, iron deficiency**

**anemia, pernicious**

**anemia, sickle cell**

**leukemia**

**multiple myeloma**

**Procedures pg. 348**

**complete blood cell count (CBC)**

**prothrombin time (PT)**

**red blood cell count (RBC)**

**white blood cell count (WBC)**

**Abbreviations pg. 352**

**CBC**

**PA**

**PT**

**RBC**

**WBC**

**Vocabulary pg. 356**

**Acquired immunity**

**Adenoids**

**Word elements pg. 358**

**Hyper-**

**Immun/o**

**Lymph/o**

**Sarc/o**

**Pathological conditions pg. 363**

**Acquired immunodeficiency syndrome (AIDS)**

**Lymphoma**

**Sarcoidosis**

**Abbreviations pg. 368**

**AIDS**  
**CDC**  
**Histo**  
**HIV**
