

**Reading Hospital School of Health Sciences
Medical Imaging Program
MI 243 Clinical Seminar IV
Discussion Forum Assignment**

Overview

As a healthcare provider it is important to integrate appropriate personal and professional values into the clinical practice.

Assignment

In your own words, you will post a definition of what the above statement means to you, as well as provide two examples to support your definition. This post must be a 3-4 sentences in length. You must also do a follow up post on at least 2 classmates' posts with appropriate feedback. The follow up post must be 2-3 sentences in length.

This discussion forum is a graded assignment. Please see the attached rubric for further guidance.

Focus will be on content, quality and grammar, as well as adherence to the following guidelines

- Keep your post focused on the topic, and write clearly
- Do not use slang, jargon or inappropriate language. Use appropriate language and tone.
- Be supportive, considerate and constructive when replying to your classmate's post.
 - Give a thoughtful reply to the post. Comment on a specific idea. Back up your comment with an experience.
- Proofread and review your post before hitting the submit button.

Due Date: **Monday, June 14, 2021 by 11:59PM**- this includes your post as well as your 2 follow up posts to your classmates' posts.

Grading Rubric

Category	Poor Does Not Meet Expectations 70%	Adequate Somewhat Meets Expectations 80%	Commendable Meets Expectations 90%	Exemplary Exceeds Expectations 100%	Total Points per category
I. Initial Posting Content	No post was made by the established deadline or post was inappropriate	Post was made however the definition vague and guidelines were not followed	Post was made and addresses the definition and most guidelines were followed	Post was made and addresses the definition and all guidelines were followed	
II. Follow Up Post #1	Posts no follow-up responses by established deadline or post was inappropriate	Post was made however the feedback was vague and guidelines were not followed	Post was made and most guidelines were followed	Post was made and all guidelines were followed	
III. Follow Up Post #2	Posts no follow-up responses by established deadline or post was inappropriate	Post was made however the feedback was vague and guidelines were not followed	Post was made and most guidelines were followed	Post was made and all guidelines were followed
