11

MI 123: GRADING

Successful completion of this course requires that all of the following requirements be met:

- **Achievement of an overall course average of $\geq 80\%$ and**
 - Achievement of $\geq 80\%$ on an overall average of all **workbook/written/electronic assignments and**
 - Achievement of $\geq 80\%$ on an overall average of **Clinical Skills Assessments and**
 - Achievement of $\geq 80\%$ on the average of the **Exams.**

12

MI 123: GRADING

Workbook / Written Assignments – 10%

- **6 assignments** – due dates are listed on course schedule. Late submissions will result in point deductions.
 - (2) Merrill's workbook assignments
 - Pediatric Written Assignment (available on Edvance)
 - Geriatric Written Assignment (available on Edvance)
 - Cultural Awareness Discussion Posts
 - Clinical Seminar I Clinical Experience Reflection Written Assignment

13

MI 123: GRADING

Clinical Skills Assessments – 50%

- **3 total assessments**
 - See Appendices C, D, and E
 - Any unsuccessful items do need to be repeated successfully to finalize grade on each assessment

Exams – 40%

- **2 Written exams**
 - Successful completion of each exam (achievement of 80% or higher) is required. If a student receives less than an 80% on an exam, the student must re-take the exam to earn a passing grade (≥80%). The original score earned will be recorded and will be used to calculate a student's average within the course.
 - Students unable to achieve ≥80% on the retaken exam will be given one additional re-take opportunity. Students unable to achieve ≥80% on the second retaken exam will not have satisfactorily met course requirements and will fail (F) the course.

Positioning Skills Practice...more information to come in future lecture!
