Week 2 discussion question:

What does the Hebrew calendar reveal about the nature of God and how does that knowledge impact you?

Our God is all knowing, and as it was mentioned before In Genesis one, that God has given us everything we needed before he created us.

This includes, the Hebrew Calendar, and the timing of God. Hebrew calendar is God's timing. His way of letting us know what we should be doing according to the season and time. In which the Lord told us to watch.

He did not leave us to find out what that meant. He led Israel with Fire day and night to get them to the promised land. He leads us with his timing. Watch means to be wide awake, and the Hebrew calendar helps us to know the times and seasons according to our Fathers Calendar, not ours.

Our Father always has purpose, and this calendar is another tool that he left for us with a purpose to get learn, prepare and be ready for Jesus's return.

My Father is talking to me with his calendar, by letting me know what season and time I am in, when we are in winter, spring, summer, or fall according to the spirit, what is the spiritual atmosphere I am dealing with, and what is coming up ahead. Most of all He shows me Victory, month after month.
