Homework: Poetry Memorization

Due \_\_\_\_\_

1. Choose a poem. Find one that you resonate with. You either like the sounds of the words, the mood, the word choices, the story....something. (If you don't know a poem you like, there are myriads on the internet).
2. Know the author and date of the poem. Be prepared to tell this to the class, along with why you chose this particular poem.
3. Memorize the poem.
4. Practice reciting the poem out loud. Bring emotion and variety to your voice and pacing. Don't just sing-song the poem out.
5. Present it to the class on Friday (with NO NOTES!).
