Little Women

“Christmas was not the same without father” (Alcott 31). *Little Women*, by Louisa May Alcott, is a coming of age novel about four sisters who are trying to find their way in this world without their father present. (The next few sentences should be a short summary of your novel).

Next, write your thesis. It should tell your reader what you will write about...Example:

Throughout the novel, Alcott uses symbolism, round characters, and the theme of learning to love your enemies to engage the reader and teach life lessons.

Alcott uses symbolism to show strength and love through the bronze bow. For instance, she uses the bow to as a symbol of strength through Daniel as symbol of his brotherhood. For example, Danielle is discussing a bible verse with ...”God...” (Alcott 55). Elaborate here.

In addition to symbolism, Alcott uses round characters as...

*Don't forget to add a works cited page. You will do a citation for the novel you read. Directions for this page are on the slide show. Don't worry about finishing the citation until your essay is complete.
