SCA Science 6

Reading Log

Chapter 14: Nervous System and Chapter 15: Immune System

Due: May 5

- Please complete your reading for a week before class on Friday so that our discussion and exploration are more interesting
- There are “Quick Check” questions at the end of each reading passage. If you can’t answer these questions, it would probably be good to go back and reread that section.
- The activity pages relate directly to your reading. Read first and then complete the pages 😊
