

## 7<sup>th</sup> Grade Module 16 Homework - 2023

The final stretch! 😊

### Monday, April 24th – class

Basic units of the Nervous System

#### Homework for this Module

\*READ pages 386-405(top)

\* Complete Vocab worksheet open book (100pts) (You may have to skim the other pages to find a few of the answers)

**This is due Friday, May 5<sup>th</sup> (If you do it this week, you have no more Homework for the year! I will give you 5 extra points if you turn it into me early THIS Friday! 😊)**

### Friday, April 28th – class

Basic structure of the brain

### Monday, May 1st – class

Peripheral Nervous System and Reflex Arc

Reflex lab and reflex cartoon worksheet (complete in class - 100pts.)

*If you are absent, please watch the video under lessons and complete cartoon.*

\*READ pages 405-418; READ all On Your Own and be prepared to know those answers in class Friday. Maybe a pop quiz?

### Friday, May 5th – class

SENSES Lab fun!

***\*Vocabulary worksheet due!!***

### Monday, May 11th – class

BRAIN GAMES!! Get ready to test your brain!

### May 13th– LAST class day

FIELD DAY!!
