

Student and Guardian Contract Forensic Science

Forensic science is the application of science to laws that are enforced by police agencies in a criminal justice system.

Students and guardians, please **initial** next to **each** item below indicating your understanding of the particular item:

- LL
HL 1. Forensic Science will include sensitive matters as they relate to violent crimes. Students will analyze real and simulated homicides, accidental deaths and assaults;
- LL
HL 2. Forensic Science will study real-life case studies of various murderers and serial killers as well as the science involved in apprehension;
- LL
HL 3. Forensic Science will classify and discuss controlled substances and alcohol in a lab setting;
- LL
HL 4. Students will investigate cause and time of death as well as entomology and courtroom procedure;
- LL
HL 5. During the course, students may conduct crime scene investigations outside of the classroom. Students are expected to behave according to school policy and should not interrupt or otherwise disturb classes or staff;
- LL
HL 6. A mature and respectful attitude is mandatory in Forensic Science. Students will remain respectful when presented with crime scenarios. Horseplay during lab activities will not be tolerated.
- LL
HL 7. Guest speakers might be featured.
- HL 8. Forensic Science will be presented in a manner suited to the learning environment and will include labs.

By signing this, you and your guardian (s) are aware of the nature of the course and the possibility of discussing graphic and sensitive topics. All efforts will be made to accommodate sensitivities and present topics in a Christian Worldview. If at any time you or your guardian (s) should feel uncomfortable discussing or participating in an activity, **please contact me as soon as possible at**

rolltidekym@gmail.com or 615-975-0865

I, the guardian, have reviewed the enclosed course overview with my son/daughter and agree to support him/her in being successful in this course.
