

Chapter 1: Logic and the Christian Worldview

1. What are two ways we can learn new things and discover truth?
2. How does a Christian explain why most people have a sense of right and wrong?
3. What kinds of things can we use our senses to learn about?
4. What kinds of things can we use our reason to figure out?
5. If all knowledge is from God, then how are people who don't believe in God able to know things?
