

Write a letter telling me about yourself. Here are some ideas of where to start:

- What is something you are really good at?
- What is the story behind your name?
- What is your favorite color/food/cartoon/movie, etc.?
- What do you want to be when you grow up and why?
- What is your favorite thing about school?
- What is your least favorite thing about school?
- What do you want to invent, and why?
- Where have you traveled? Where do you want to travel?
- What are you scared of?
- Who is your hero?
- Describe your perfect day.
- Write about your pet, or describe the pet you want but do not have.
- What makes you happy?
- What makes you sad?
- What is something you want to achieve this year?

What else should I know about you? 😊
