

The background features abstract, organic shapes and patterns. In the top left, a grey circle with white dots is connected by thin lines to a larger orange circle with a grey circle overlapping it. In the top right, an orange circle with white dots is partially obscured by a grey shape. In the bottom left, a large orange circle is partially covered by a grey circle and a cluster of dark blue dots. In the bottom right, a brown circle is partially covered by orange and grey stripes and yellow leaf-like shapes.
