

This Is My Life

Ryan Herbst, SCA Freshman

Denton is my Home

I was born in and have lived in Denton TX all my life. Before SCA, I attended Woodrow Wilson Elementary School, now known as Nette Schultz Elementary. Coming to SCA in 3rd grade was a big deal, but now that I have been at this school for seven years, it is a school I can call home.

My Loving Family

My family consists of my Dad, Mom, Older sister and me.

Our Pets!

Our Family has two very happy and healthy cats. Buddy is the name of the black cat in the front. Sometimes we call him the “Halloween Cat” And then Andrea the cat in the back. I like to call her “the camo cat” for how well she blends in with the trees and bushes in our backyard

Hobbies include:

Conclusion

I am very thankful to have a wonderful family, fun hobbies
And an amazing school to learn at. God has put me in this
World to learn, Grow and enjoy every aspect of life!
