

## Preston Hillis

### About Me

My name is Preston Hillis. As we start this new school year I am looking forward to getting to know the members of our class. With that in mind, I would like to share with you some fun facts about my family, my favorite activities and the places I love to visit. Let's get acquainted!

My family is a lot of fun to be around. My mom is Danielle and my dad is Greg. I have a brother who is 17 named Jackson and a sister who is 13 named Carrera. My family pets are dogs named Bianca and Diamond. We have lived in the Denton area my whole life. Our family has attended Denton Bible Church for over 20 years and enjoy being involved in many ministries there. This is where I accepted Christ into my heart and have been a part of student choirs and student ministry. My grandparents on both sides of my family live close by and I also have aunts, uncles and cousins around the United States I am very close to. I love getting everyone together for big trips and family events.

Speaking of trips, our family loves to travel. We love cruises, beach trips, Disney World and travel to anywhere we have not been. East coast beaches and the Outer Banks of North Carolina are beaches we enjoy the most. I also really enjoy cruises with my grandparents, aunts, uncles and cousins. We always try to find new destinations to sail to and great islands to tour. This summer we spent time touring the east coast and seeing the historic sites in Washington, D.C. and Virginia. I am looking forward to going to Europe next year.

Over the years I have played several sports. My favorite is basketball. I have played basketball with the Red River Rattlers for the past four years and am looking forward to the upcoming season. I also enjoy swimming, tennis, hunting and all kinds of snow sports. Trying to fit it all in is the challenge.

My faith is one of the most important parts of my life. I gave my heart to Christ at an early age and have built my life around His Word. I feel blessed to have been able to homeschool and learn from a Christian worldview. I am planning on going to college to be either an orthopedic surgeon or an oral surgeon. My favorite Bible verse is 2 Timothy 4:7, "I have fought the good fight, I have finished the race, I have kept the faith."
