

Name: _____

SCA Science 6
Reading Log
Chapter 3: Natural Resources
Due: October 21

- The activity pages relate directly to your reading. Read first and then complete the pages 😊
- There are “Quick Check” questions at the end of each reading passage. If you can’t answer these questions, it would probably be good to go back and reread that section.
- As you complete a day’s reading and activity pages, please use the study notes area to write a sentence or draw a picture of what you discovered in that work.
