### Teams Dimmesdale

I would be team Dimmesdale because I wouldn't want everyone to know I'm a part of the scarlet letter. Also, it would be like everywhere you go people would always ask you about it and stare at you. Those would probably be my reasons I would be teams Dimmesdale. I will get it if people go team Hester because some people are good at telling the story and talking to people about it and getting stared at a lot, but that's just not me.
