

# Hitler Youth Chapter Summary Requirements

As you start reading Hitler Youth, keep in mind this is a difficult book to read. Simply because we learn how innocent children were manipulated to follow Hitler to the point of betrayal of their own parents and families! However, it's important to remember the Biblical truths from God! He specifically states in the 10 Commandments for children to obey and honor their parents. If these German families had been reading and taking God's Word seriously, they would have been protected from the lies and manipulation Hitler was pouring into the minds of their children. I am begging you to ROOT your mind/heart/soul in God's Word!!!! You will be given wisdom, instruction, insight, and understanding that protects you from Satan's evil confusing schemes! There are also heroes that have the confidence to stand against lies!
