

Use this to study for the quiz on Friday. I would look over this before you begin reading and again after you read to make sure you found everything as you read.

Vocabulary for extra credit:

1. grubbing
2. almshouse
3. mustered
4. chaise

Some things to know:

1. The little boy's name
2. Who was Nanny?
3. Why does she have surgery?
4. How did the boy pay for the surgery?
5. What four traits did the doctor think the boy possessed?
6. You should be able to describe the overall theme of the story, along with the conflict and solution. This should be done in 1-3 sentences.
