

Name: _____

SCA Science 6
Vocabulary - Chapter 8

circuit - _____

conductor - _____

switch - _____

short circuit - _____

insulator - _____

resistor - _____

series circuit - _____

parallel circuit - _____

volt - _____

watt - _____

ampere - _____

electric cell - _____

electrolyte - _____

magnet - _____

magnetic field - _____

electromagnet - _____

***electric signal** - (p 206) _____

***binary number system** - (p 206) _____

***integrated circuit** - (p 207) _____

***semiconductor** - (p 207) _____
