

EXP 11.2

X tentacles

ovaries? bud ("bump")

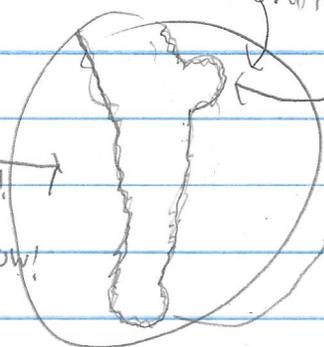

Foot

It was macroscopic!

SICK!

wow!

Cool!

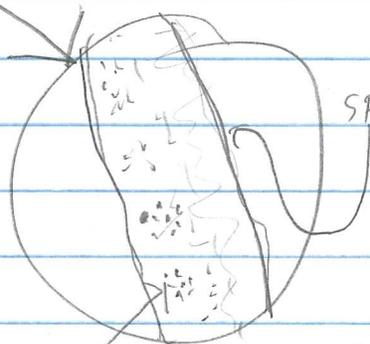

mouth?

We did not get the full specimen on the microscope.

Our creature is JANK. ~~It was a~~ ~~thing~~ ~~on~~

We (Max) had trouble finding one singular tentacle.

Tentacle

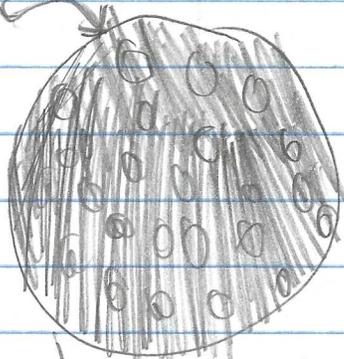

spike like hair stinger things.

Looks like it has a frigin rash. lol.

Mesenchyme

BODY

It's VERY zoomed in

Looks like "BUM" egg from my singing monsters

Just a big ol' lobby
