

# Thrive 101 | Peace Index

## How to Find Your Peace Index Score

A | Score each category from 1-100% for your current reality.

Purpose % \_\_\_\_\_  
People % \_\_\_\_\_  
Place % \_\_\_\_\_

B | Rank in order of importance (Ex. Place #1, People #2, Purpose #3)

1. \_\_\_\_\_  
2. \_\_\_\_\_  
3. \_\_\_\_\_

C | Based on your answers to Questions 1 and 2, multiply your #1 ranked most important factor by the number 5.  
(Ex. Place is 60% so  $60 \times 5 = 300$ )

D | Then your #2 by the number 3 (Ex.  $90 \times 3 = 270$ )

E | And finally your #3 by the number 2 (Ex.  $98 \times 2 = 196$ )

F | Total your three numbers (Ex.  $300 + 270 + 196 = 766$ )

G | Divide your total by 1000 to find your weighted Peace Index  
(Ex.  $766 / 1000 = 76.6\%$ )
